[last updated January 21st, 2021]

Definitions

We at Daostack Technologies Ltd. ("**the Company**", "**us**", "**we**", or "**our**") recognize and respect the importance of maintaining the privacy of visitors of our website ("**Site**") and our mobile application ("**App**"), Users of the Common Platform ("**Platform**"), and Members of the Common ("**Common members**"). This Privacy Notice describes the types of information we collect from you when you visit our Site, App, Platform and use our services ("**Services**"). This Privacy Notice also explains how we collect, process, transfer, store and disclose the information collected. If not otherwise defined herein, capitalized terms have the meaning given to them in the Terms and Conditions, available at common.io/terms ("**Terms**").

"**Common**" means a group of individuals who convened through the Platform in order to advance joined non-profit purposes, formed a group in accordance with the rules of the Platform and these Terms, defined a Protocol, and opened a Common Account. A Common is non-incorporated voluntary cooperation among Common Members for a limited pre-defined purpose and scope.

"**Personal Data**" means any information that refers, is related to or is associated with an identified or identifiable individual or as otherwise may be defined by applicable law. This Privacy Notice details which Personal Data is collected by us in connection with your visit of our Site and/or use of the App or the Services.

"**You**" means any user of the Site/App/Platform and/or Services.

Personal Data We Collect

We collect statistical and analytics information from you when you choose to use our website.

When you use our App/Platform and/or receive related Services, you will be required to register and provide us with certain Personal Data, such as your name; email address; phone number; profile description; information on any profiles on other websites which you have shared with us; information regarding your participation in the commons on the Platform, votes on the platform, details of the proposals you have submitted; the content of your discussions on the Platform; details about your payments to Commons (amounts and dates); information about the actions you have performed on the App/Platform; list of the people and the Commons which you follow on the Platform.

We also collect Personal Data when you make use of the Site/App/Platform, request information from us, sign up for newsletters or our email lists, complete online forms, or contact us for any other reason. If you use the Services by logging in through a third-party login service (such as Google, Apple), we may also receive Personal Data about you as provided by such third-party login service. Please check such third-party's policies in order to understand what information we receive. Examples of the Personal Data that we collect from you when you engage in any of the activities detailed above, may include your name, address, birth date, phone number, e-mail address. Such Personal Data may be collected by us through the Site/App/Platform.

We also collect any materials including images and/or pictures and/or photos and/or documents you may upload to the Site/App/Platform.

In addition, when you use the Site/App/Platform, certain information may be automatically gathered about your computer or mobile device, including non-Personal Data, such as your operating system, and Personal Data such as your use and/or browsing history and any information regarding your viewing and purchase history on our Site/App/Platform.

It is your voluntary decision whether to provide us with any such Personal Data, but if you refuse to provide such information we may not be able to register you to the Site/App/Platform and/or provide you with the Services.

How We Use Your Personal Data

General

We and any of our trusted third-party subcontractors and service providers use the Personal Data we collect from and about you for any of the following purposes: (1) to provide you with the Site/App/Platform and/or Services; (2) to respond to your inquiries or requests, contact and communicate with you; (3) to develop new products or services and conduct analyses to improve our current content, products, and Services;; (4) to contact you with informational newsletters and promotional materials, if you signed up to it, relating to our Site/App/Platform and Services; (5) to review the usage and operations of our Site/App/Platform and Services; (6) to use your data in an aggregated, non-specific format for analytical purposes (as detailed below); (7) to prevent fraud, protect the security of our Site/App/Platform and Services, and address any problems with the Site/App/Platform and/or Services and (8) to provide customer support.

Statistical Information and Analytics

We and/or our service providers use analytics tools, including "Google Analytics" to collect and analyze information about the use of the Site and/or Services, such as how often users visit the Site, what pages they visit when they do so, and what other sites and mobile applications they used prior to visiting the Site. By analyzing the information we receive, we may compile statistical information across a variety of platforms and users, which helps us improve our Site and Services, understand trends and customer needs and consider new products and services, and tailor existing products and services to customer desires. The information we collect is anonymous and aggregated and we will not link it to any Personal Data. We may share such anonymous information with our partners, without restriction, on commercial terms that we can determine in our sole discretion. You can find more information about how Google collects information and how you can control such use at <https://policies.google.com/technologies/partner-sites>.

Sharing the Personal Data We Collect

We share your information, including Personal Data, as follows:

Other Common members

We share private information with other Common members. Such information includes: name, profile picture, profile description provided by you, affiliations with other commons.

Business Partners, Service Providers, Affiliates, and Subcontractors

We disclose information, including Personal Data we collect from and/or about you, to our trusted service providers, business partners, affiliates, subcontractors, who use such information to: (1) help us provide you with the Site/App/Platform and/or Services; (2) aid in their understanding of how users are using our Site/App/Platform and/or Services.

By accepting this Privacy Notice, you acknowledge that we may use subcontractors and service providers who are located in countries other than your own and may send them information we receive (including Personal Data). All of our subcontractors and service providers will be subject to non-disclosure and non-use obligations.

Business Transfers

We may transfer our databases containing your Personal Data if we sell our business or part of it, including in cases of liquidation. Your Personal Data may be disclosed as part of, or during negotiations of, any merger, sale of company assets or acquisition (including in cases of liquidation) in such case, your Personal Data shall continue being subject to the provisions of this Privacy Notice.

Law Enforcement Related Disclosure

We will fully cooperate with any law enforcement authorities or court order requesting or directing us to disclose the identity, behavior or (digital) content and information of or related to an individual, including in the event of any user suspected to have engaged in illegal or infringing behavior. We may share your Personal Data with third parties: (i) if we believe in good faith that disclosure is appropriate to protect our or a third party's rights, property or safety (including the enforcement of the Terms and this Privacy Notice); (ii) when required by law, regulation subpoena, court order or other law enforcement related issues, agencies and/or authorities; or (iii) as is necessary to comply with any legal and/or regulatory obligation.

Legal Uses

We may use your Personal Data as required or permitted by any applicable law, for example, to comply with audit and other legal requirements.

Other Uses or Transfer of Your Information

If you use our Site/App/Platform and/or Services with or through a third-party service, site, and/or mobile application, we may receive information (including Personal Data) about you from those third parties. Please note that when you use third-parties outside of our Site/App/Platform and/or Services, their own terms and privacy policies will govern your use of those services.

Security and Safety

We make efforts to follow generally accepted industry standards to protect the Personal Data submitted to and collected by us, both during transmission and once we receive it. However, no method of transmission over the Internet or method of electronic storage is 100% secure. Therefore, while we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security. As the security of information depends in part on the security of the computer you use to communicate with us and the security you use to protect user IDs and passwords, please take appropriate measures to protect this information.

Please note that when you set up a Common, fund Common, fill in your User profile, participate in a Common discussion or vote you may share sensitive information (such as, religious or philosophical views, sexual preferences, political opinions, state of health). It is always recommended to take special caution when sharing such information with the public.

Your Rights

Subject to applicable law, you may request to see any Personal Data you have provided to us and request that such Personal Data be corrected or updated by emailing us at support@common.io.

Data Retention

We retain information as necessary for the purposes set forth above. Data related to a Common will be retained for as long as the Common exists. We may also hold data if it is required for regulatory purposes or for legal defense. When data is not needed for the purposes set forth above, we will delete it from our systems, without notice to you.

Cookies and Similar Technologies. We use cookies and similar technologies for a number of reasons, including to help personalize your experience. When visiting this Site/App/Platform, you shall be notified of the use of and placement of cookies and other similar technologies on your device as specified herein.

What are Cookies? A cookie is a small piece of text that is sent to a user's browser or device. The browser provides this piece of text to the device of the originating user when this user returns.

- A "session cookie" is temporary and will remain on your device until you leave the Site.
- A "persistent" cookie may be used to help save your settings and customizations across visits. It will remain on your device until you delete it.
- First-party cookies are placed by us, while third-party cookies may be placed by a third party. We use both first- and third-party cookies.
- We may use the terms "cookies" to refer to all technologies that we may use to store data in your browser or device or that collect information or help us identify you in the manner described above, such as web beacons or "pixel tags".

How We Use Cookies. We use cookies and similar technologies for a number of reasons, as specified below.

The specific names and types of the cookies, web beacons, and other similar technologies we use may change from time to time. However, the cookies we use generally fall into one of the following categories

Type of Cookie	Why We Use These Cookies
Necessary	These cookies are necessary in order to allow the Site/App/Platform to work correctly. They enable you to access the Site/App/Platform, move around, and access different services, features, and tools. Examples include remembering previous actions (e.g. entered text) when navigating back to a page in the same session. These cookies cannot be disabled.
Functionality	These cookies remember your settings and preferences and the choices you make (such as language or regional preferences) in order to help us personalize your experience and offer you enhanced functionality and content.
Security	These cookies can help us identify and prevent security risks. They may be used to store your session information to prevent others from changing your password without your login information.
Performance	These cookies can help us collect information to help us understand how you use our Site/App/Platform, for example whether you have viewed messages or specific pages and how long you spent on each page. This helps us improve the performance of our Site/App/Platform.
Analytics	These cookies collect information regarding your activity on our Site/App/Platform to help us learn more about which features are popular with our users and how our Site/App/Platform can be improved.
Advertising	These cookies are placed in order to deliver content, including ads relevant and meaningful to you and your interests. They may also be used to deliver targeted advertising or to limit the number of times you see an advertisement. This can help us track how efficient advertising campaigns are, both for our own Services and for other websites. Such cookies may track your browsing habits and activity when

visiting our Site/App/Platform and those of third-parties.

How to Adjust Your Preferences

Most Web browsers are initially configured to accept cookies, but you can change this setting so your browser either refuses all cookies or informs you when a cookie is being sent. In addition, you are free to delete any existing cookies at any time. Please note that some features of the Services may not function properly when cookies are disabled or removed. For example, if you delete cookies that store your account information or preferences, you will be required to input these each time you visit.

Third-Party Applications and Services

For providing the Services we may use third party service providers and you should be aware that any processing of data by such third parties is subject to the relevant party's Terms of Service and Privacy Notice. All use of third-party applications or services is at your own risk and subject to such third party's privacy policies.

Communications. We reserve the right to send you service-related communications, including service announcements and administrative messages, without offering you the opportunity to opt out of receiving them. Should you not wish to receive such communications, you may cancel your account.

Children

We do not knowingly collect Personal Data from or market our Services to children.

Changes to the Privacy Notice

We may update this Privacy Policy from time to time to keep it up to date with legal requirements and the way we operate our business, and we will place any updates on this webpage. Please come back to this page every now and then to make sure you are familiar with the latest version. If we make material changes to this Privacy Notice, we will seek to inform you by notice on our Site or per email.

Comments and Questions

If you have any comments or questions about this privacy Notice, please contact us at support@common.io.
